ASHOKASHA
EXIM PVT. LTD.
HoReCa Division

Professional Ingredients. Structured Supply. Reliable Execution.

Ashokasha Exim Pvt. Ltd. is a specialized importer and distributor of premium international food ingredients for the Indian HoReCa market.

We partner with established global manufacturers to supply professional kitchens with consistent, high-quality products across Asian and global cuisines. Our focus is clear reliable supply, authentic flavours and dependable performance in commercial environments.

What We Deliver to HoReCa

Consistent Product Quality All products are sourced from trusted international partners and selected for taste consistency, stability, and real kitchen performance.

Structured Portfolio Our range is organized by usage - sauces, cooking liquids, noodles, rice, mushrooms, seaweed, condiments, and specialty ingredients - enabling efficient sourcing and streamlined procurement.

Foodservice-Ready Formats SKUs are available in case-friendly pack sizes designed for restaurants, hotels, caterers, cloud kitchens, and institutional buyers.

Pan-India Distribution A structured distribution network ensures dependable availability, timely replenishment, and supply continuity.

Regulatory & Import Expertise Complete compliance with Indian food regulations, documentation standards, and quality protocols ensures smooth procurement without problems.

Our Commitment to HoReCa Partners

- Stable and predictable supply
- Clear communication and response
- Reliable execution across every order
- Relationship-driven approach built on trust

At Ashokasha's HoReCa Division, we support kitchens that demand precision, consistency and authentic flavour - every single day.
